

Friday 23 July

Trainee Day

M1

08:30–10:00

Block Master Class
Dr Michael Kerr

Career Decisions and
Private Practice
Dr Anthony Coorey
Dr Robert Edwards

Morning tea 10:00–10:45

10:45–12:15

Performance Under Pressure
Dr Emily O'Leary

Training with Children and
Taking Leave
Dr Anna Pietzsch

Lunch

12:15–13:30

13:30–15:00

The Tess Cramond
Prize Session
Dr Sarah Bowman

Afternoon tea 15:00–15:30

15:30–17:00

Final Exam Prep Workshop
Facilitator:
Dr Vida Viliunas OAM
Dr Anthony Coorey

PROGRAMME – Saturday 24 July

08:30–10:00

Chair: Dr Suzi Nou

Plenary 1

08:30–09:00

Opening and
Acknowledgement of Country

09:00–10:00

Kester Brown Lecture:

The Rebirth of the Pandemic Age: Lessons learned
from COVID

Prof. Edward Holmes

Morning tea

10:45–12:15

Chair: Dr Ed Pilling

ACE The Future Session

Disruptors in Scholarly Communication: do
medical journals have a future?

A/Prof. John Loadman

The current and emerging trends in the
Australian healthcare market

Mr Sean Lowry

vision

Dr Adam Keys

Emergence delirium - the research, prevention and
treatment

Dr Paul Lee-Archer

Paediatric Pain: Update on current Practice

Dr Mark Alcock

Lunch

12:30–13:30 Stream 1

Sponsored Educational ! : Seqirus

Chair : Dr Ivan Rupchuk

Opioid stewardship - responsible prescribing from recovery to discharge

Speakers Dr Rowena Grice and Dr Ella Raguz

13:30–15:00

Chair: Dr Linda Beckmann

Airway SIG

Is HFNO really a 2-edged sword - the
breath of life for the patient, but a breath
of COVID for the Anaesthetist?

Drs Sarah Lee | Mark Ng

Objective Measures of BMV

Dr Kar Soon Lim

Hurdles with Digital Airway Alerts

Dr Alexander Cottle

Standardising Difficult Airway Alert Forms.

Dr Libby McLellan

13:30–15:00

Chair: Dr Sanjiv Sawhney

Day Care SIG

The Geriatric Surgical Patient:
Frailty and Perioperative Decisions

Dr Catherine Yelland

Tips and tricks for anaesthetising the elderly and frail

Dr Phillip Cumpston

Outcome results from the DayCOR survey

Dr Ken Sleeman

Afternoon tea

15:30–17:00

Chair: Dr Craig Daniel

Regional Anaesthesia SIG Block!

Collaborate and Listen

Lumbar Neuraxial Ultrasound

Dr Lucas Edwards

Committing to the nerve block life

Dr Cat Bella

Hocus POCUS...the magic of new portable
ultrasound devices

Dr Paul Slocombe

AGM

15:30–17:00

Chair: Dr Sean McManus

Perioperative SIG

What Defines Good Perioperative Care?

Big Data

Dr Catherine McDougall

Frontline Approach

Dr Alisa Crouch

Where to from here?

Dr Jeremy Fernando

PROGRAMME – Saturday 24 July

10:45–12:15

W12
Opiate Stewardship in
Private Hospitals

Facilitator:
Dr Ian Airey and
Dr Ivan Rapchuk

10:45–12:15

Chair: TBC
Future of Digital Health in
Australia
Dr Rowan Ellis

10:45–12:15

W13
How to be a
Wellbeing Advocate

Facilitators:
Dr Anna Hallett
Dr Di Khursandi

12:30–13:30 Stream 2

Sponsored Educational 2 : BD

Chair: Dr Sarah Bowman

Substance Use Disorder

Dr Colin Baird, Dr Naham Warhaft & Dr John Paull

13:30 –15:00

Chair: Dr Victoria Eley
Obstetrics SIG
Cell Salvage in Obstetrics
Dr Michelle Roets

Epidurals in Obese
Parturients
Dr Sue Lawrence

Multidisciplinary Panel:
Does she have capacity?
A case-based discussion

13:30–15:00

CC1
Case Conference:
Dealing with a Death on
the Table

Facilitator:
Trevor Ghidella
(ANZCA PE)

13:30–15:00

CC2
Case Conference:
Bleeding: Can you
fix this anaesthetic
bleeding?

Facilitator:
Dr Pat Tucker
(ANZCA PE)

13:30–15:00

W16
Hypnosis
Workshop:

Facilitator:
Dr Dinah Blunt

15:30–17:00

Chair Dr Martin Culwick
**Designing Safe &
Efficient Systems**
Setting up STARS:
Surgical Treatment and
Rehabilitation Services.
Dr David Sturgess,
Dr Jessica Taylor
Using Bowtie Diagrams for
Predicting, Preventing and
Preparedness.
Dr Martin Culwick,
Dr Yasmin Endlich,
Dr Stavros Prineas
The Resilient Anaesthetist
2021.
Dr Stavros Prineas

15:30–17:00

CC4
Case Conference:
Obstetrics: There's no
such thing as a normal
delivery

Facilitator:
Dr Matthew Howes
(ANZCA PE)

15:30–17:00

CC5
Case Conference:
Medication: But no one
told me to stop it?

Facilitator:
Dr Chris Breen
(ANZCA PE)

15:30–17:00

CC6
Case Conference:
Futility: Was this futile?

Facilitator:
Dr Masha Jukes
(ANZCA PE)

15:30–17:00

CC3
Case Conference:
Paeds: Maybe I should do
more kids - they're all young
and healthy?

Facilitator:
Dr Kath Cooke
(ANZCA PE)

PROGRAMME – Sunday 25 July

08:30–10:00

Plenary 2

Chair: Dr David M Scott

08:30– 09:15

Geoffrey Kaye Oration: Challenges and Cherished moments -
Dr Suzi Nou

09:15–10:00

Sustainability in anaesthesia
A/Prof. Kerstin Wyssusek

Morning tea

10:45–12:15

Chair: Dr David M Scott OAM

Living and Dying Symposium

Voluntary Assisted Dying

Dr Viren Naik

How to Age Well

Dr Nick John

10:45–12:15

Chair: Dr Anna Hallett

Wellbeing SIG

Mindfulness on the run -how to introduce a mindfulness program into a busy department

Chair: Dr Chris Bowden

ODEC

The Impact of COVID in our region - a series of short presentations from impacted neighbour countries

Dr Chris Bowden

Dr David Pescod

Dr Rob McDougall

Lunch

13:30–15:00

Chairs: Drs Suzi Nou & Peter Waterhouse

ASA Session:

Q&A with Drs Suzi Nou & Peter Waterhouse on Managed Care, Public in Private contracts and all other advocacy work of the ASA.

13:30–15:00

Chair: Squadron Leader Steven Cook CSC

Military Anaesthesia Group

RAAF Aeromedical Evacuation from Antarctica to White Island and more

Wing Commander

Howard Roby

The next decade of deployable ADF anaesthesia and surgical capability

Prof. Michael Reade AM

Contemporary approaches to haemorrhagic shock and damage control resuscitation

Prof. Mark Midwinter CBE

13:30–15:00

Chair: Dr David Highton

Neuroanaesthesia SIG

Perioperative stroke: an emerging epidemic in non-cardiac surgery?

Dr Jonathon Fanning

Anaesthesia and perioperative neuroprotection for endovascular stroke therapy

Dr Danielle Crimmins

Advanced brain monitoring
A/Prof Laurence Weinberg

Afternoon tea

15:30–17:00

Chair: Dr Leanne Ryan

Morbidity and Mortality Meeting (ACE)

Unpacking what can be learnt from a variety of complex cases

Panel: Dr Laurence Weinberg

Dr Genevieve Goulding

Dr Patrick Clancy

(ANZCA QA 3 points)

15:30–17:00

Chair: Dr Peta Lorraway

Hot Topic Update

Medical Marijuana - Weeding out the anaesthetic issues!

Dr Jo Rotherham

Perioperative Patient Blood Management - How prepared is your patient for surgery?

A/Prof. Kerstin Wyssusek

15:30–17:00

Chair: Dr Kirsty Forrest

Med Education and Simulation SIG

Leadership in a Crisis

Dr Suzanne Bertrand

Dr Michael Fanshawe

Dr Jennifer Gaffney

Dr Conrad Macrokanis

PROGRAMME – Sunday 25 July

Morning tea

10:45–12:15

Co-Chairs: A/Prof John Loadsman & Dr Linda Weber

AIC Editors Session

AIC Journal Awards
Social media and research
Dr Richard Seglenieks

TRA2SH as a model for collaborative implementation in healthcare

Dr Jess Davies
Dr Rajesh Pachchigar

Trainee-led research networks-Australia and Beyond

Dr Adeel Aftab

10:45–12:15

Chair: A/Prof. Paul Gray

History SIG

Lee's Synopsis of Anaesthesia and learning anaesthesia in Australia

Dr Di Khursandi

Tess Cramond's Contribution to Australian Anaesthesia

Dr Bronwyn Williams

The influence of J Alfred Lee on the development of anaesthesia in the UK

Dr Andrew Walpole

AGM

Lunch

13:30–15:00

Chair: Dr Gareth Collins

Acute Pain SIG

Opioid free anaesthesia

Dr Adrian Sultana

Supplemental oxygen and patient controlled intravenous anaesthesia: how can we improve safety?

Dr Gavin Pattullo

Updates in regional anaesthesia - tips, tricks and avoiding mistakes

Dr Michael Kerr

13:30–15:00

CC8

Case Conference:

Regional: It's been 24 hours doc, why does my arm still not move?

Facilitator:

Dr Adrian Chin

(ANZCA PE)

13:30–15:00

CC9

Case Conference:

Eyes: It's only an eye block - what could possibly go wrong?

Facilitator:

Dr Lynda Allchurch

(ANZCA PE)

Afternoon tea

15:30–17:00

W22

Practical mindfulness - a Well-being Checklist Workshop for Delegates Partners and Children)

15:30–17:00

CC11

Case Conference:

Remote: Out of OT Challenges

Facilitator:

Dr Ross Foreman

(ANZCA PE)

15:30–17:00

CC12

Case Conference:

Hypoxia: Is that pulse oximeter still on their finger?

Facilitator:

Dr Adam Suliman

(ANZCA PE)

15:30–17:00

CC13

Case Conference:

Eyes: It's only an eye block - what could possibly go wrong?

Facilitator:

Dr Ralph De Plater (ANZCA PE)
